Address of Villa: La Belle Vue, 55 Montée de Seillans, L'Estelle, Domaine de Séguret 83600
Les Adrets de L'Esterel

The villa is situated on a private estate (Domaine) access to which is through security gates at the entrance to the estate.

DIRECTIONS TO VILLA:

From Nice airport – Take A8 – direction of Antibes/Cannes/Aix en Provence – continue for about half an hour to Junction 39 and follow directions to Les Adrets.

Proceed 1.5km to roundabout at top of hill – take 3rd exit

Entrance to the private estate Domaine Séguret is right in front of you.

ARRIVAL:

Because access to Domaine Séguret is through security gates our Property Manager Janine Hulard will arrange to meet you at the entrance.

Arriving by air, phone Janine as soon as you have collected your hire car (in the Summer months this can take up to 2 hours). The trip from the airport to the meeting place should take no longer than 45 minutes.

You also need to be aware, if you are arriving late evening, restaurants and shops in and around Les Adrets may be closed, it is therefore important to buy some provisions “en route” or speak to Janine.

If your flight is delayed, Janine will be aware of this through her contact with the airport.
